Your design team

we know plants!

Our designers are plants people, we have a passion for all things green and beautiful and we can't wait to help you fill your space with them!

One of our fabulous design team has personally looked at your desired colourway, style and plants for your space and has put together this collection just for you! we hope you love it.

Team Muddy Trowel

The details

"Your space is partially sunny, with direct sunlight for a few hours each day"

"You are happy to care for some of the plants but ease of maintenance is important"

"We have suggested new beds for planting in your space - compost will need to be added to enrich the

"we think, based on your brief that you would like a mixed border with statement trees, evergreen shrubs and flowering underplanting"

"You have a blank canvas, in which to start creating a fabulous garden! Specifically you would like to screen the fence"

"You don't share the space with any pets or children."

"You selected plants a mix of colours from orange, to purple, white and red"

"Based on your preferences we have not selected any pots for your space"

Your design

Crab Apple 'Scarlett' - Beautiful crab apple, with dark, green purple foliage, turning red in autumn before falling. Deep prink flowers in spring, and bright red crab apples in winter - a real show stopper!

Silver Birch Tree - Statement tree with a white stems, and a narrow growth habit. Leaves are green turning yellow in autumn before falling.

Blue fescue - Easy going grass which is blue in colour year round.

> Sedge Ice dance' -Clump forming grass with deep green leaves, edged with white.

Saxifrage and english daisy for underplanting.

Easy going grass which is coppery in colour.

Sedge Bronze

Viola and primrose for underplanting.

Mexican orange Blossom 'Sundance' - Gold coloured foliage all year round,

- Gold coloured toliage all year ro with white flowers in summer.

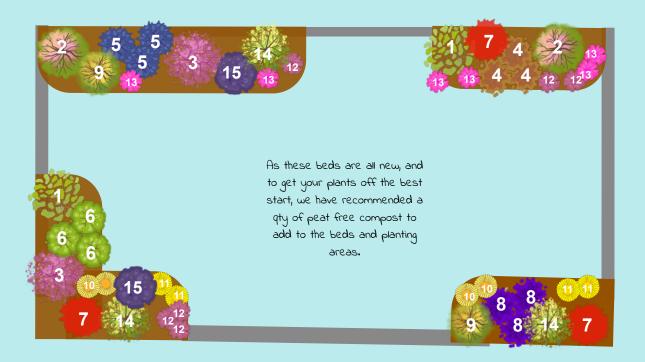

Yamadei; - Stunning compact tree, only growing around 1.5m tall, with delicate white blooms and a laze of leaf colour in autumn. Great for a variety of height to block your fence.

Sweetbox - Robust, easy to care for evergreen shrub with highly fragrant white flowers in winter.

Sacred Bamboo -Stunning evergreen shrub, with bright red new foliage fading to a. lush green. white flowers in summer

Pittosporum 'Tom Thumb' - Easy to care for evergreen shrub with deep purple foliage.
